BY PUBLIC TRANSPORT

Take a train from Basel SBB or Zurich HB to **'Stein-Säckingen'**. There, take **bus n° 143** 'Direction Laufenburg, Bahnhof'. After about 5 min, get off at the **bus stop 'Sisseln AG, Syngenta'**, which is right next to the main building of Syngenta's Research Center in Stein.

Allow for 30'- 45' from Basel SBB and 70'-90' from Zurich HB.

BY CAR

Follow **highway A3 from Basel** and **highways A1/A3 from Zurich** and take **exit 16 'Eiken'**. Follow the signs towards **Laufenburg**. At the **first round-about**, take the **second exit** onto **Schaffhauserstrasse** towards Basel/Stein-Säckingen. After about 1 km, turn right on **Sisslerstrasse**. Take right turn, ring porter bell and drive into parking lot (reserved parking for visitors close to tall building).

Allow for 30'- 40' from Basel and 45'-60' from Zurich.
